### YMCA Gymnastics

Ms. Amanda, YMCA instructor, will begin gymnastics classes September 13, 2010 here at FPP! Boys and girls ages 2 1/2 to 4 years of age may participate. The class meets once a week, Tues-Thurs, from 10:30-11:15.

Ms. Amanda prefers 5 children per class so depending on how many children sign up, will determine what day of the week your child will go.

Monthly Gymnastic Fee: \$38.00  
One-Time Equipment Fee: \$15.00  
Please fill out registration form and return to my office.

This month's curriculum theme is ALL ABOUT ME. If you do not currently have a family collage at school please send one by August 20, 2010. The children love looking at pictures of themselves and friends and it is a great tool for early language skills!
